Call For Papers

We invite you to participate in the **22nd International Conference of Logic Teaching (EIDL)** and the **9th International Symposium for Research in Logic and Argumentation (SIILA)**, will be held on 11th–15th November 2019 at **Autonomous University of Nayarit, Mexico.**

The following **Types of Contributions** that would be acceptable for the **EIDL** part of the conference:

- Presentation of Computer Programs to Learn Logic.
- Presentation of Logic Courses Syllabi.
- Presentation of Teaching Materials.
- Research on the Methodology of the Teaching of Formal Logic.
- Research on the Teaching of Informal Logic, Critical Thinking, Argumentation and Rhetoric.
- Research on the Philosophy of Logic Teaching.
- Research on the Teaching of Logic for Computation/Law/Linguistics/Mathematics/Philosophy/Others.
- Presentation on Didactic Games for the Logic Teaching.

And the following **Research Topics** that would be acceptable for the **SIILA** part of the conference:

- Formal or Informal Logic.
- Classical and Non-Classical Logics.
- Critical Thinking and Argumentation.
- Reasoning and Computability.

- Philosophy of Logic.
- Investigation of Methodology.

The Contributions (Proposals) will have the following general features:

1.   **Papers (Talks)**: The estimated time to presentation will be 20 minutes. These contributions will be organized into Thematic Tables.

2.   **Thematic Tables**: May be proposed Thematic Tables that integrate for 3 or 4 papers. An abstract of the Table and a brief abstract of each paper are requested.

3.   **Didactic Workshops and Presentation of playful materials**: It will also be feasible to present a Didactic Workshop (two hours maximum), it is indispensable to make a description on the materials that will be used. At the same time it is required to give a description about the way in which the Teaching Process will be developed, and which will be the learnings that will be developed. There will be space for the exhibition of Didactic Materials which mainly promote creativity from ludic strategies. It´s important to specify what kind of material you wish to present.

4.   **Posters**: It will be possible to make presentations of Contributions in Posters. These will be exhibited and presented at the end of the workdays in an appropriate classroom or space.

Whatever Type of Presentation it will be necessary to send an abstract written in English and Spanish. It is required that the first sheet of paper have the following points: Title, Subtitle (optional), Name(s) of author(s), Affiliation Institution, City, Country and email address. You must specify your **Type of Contribution** in the case of the **EIDL**. You must specify your **Research Topic** in the case of the **SIILA**. It is required that the second sheet (abstract/summary) contain 350 words, and 5 keywords -font size 10 and single spacing.

The paper will be captured in Times New Roman font. The titles with font size 16, subtitles font size 14, Name(s) of author(s) font size 11 and Affiliation Institution, City, Country, email address font size10. The top and bottom margins will be 2.5 cm., left and right margins 3.0 cm.

Send your proposal using this (QR) code in a document version, preferably: .doc or .docx. The file has to be named eidl_summary_ (or siila_summary_) with the first letter of your name, and your first surname. Example: eidl_summary_ALopez (in the case of Ana Lopez). In the case of several authors it only be required the name and the first surname of the first author. Skip accents in file names. The app for reading the (QR) code can easily be downloaded from your gadget or mobile device:

You can have access to the register format in the following link:
https://goo.gl/forms/bwVflYuZ0SA9baLu2
